

Dear Customer,

Thank you for your interest in our manufacturing.
We would like to provide you with detailed information regarding the label approval and order process.

Please find below a checklist with the requirements and process steps.

Step	Description
1	<p>All labelling and packaging must be approved by VeganicSKN prior to manufacturing. Non-compliant tubes/packaging or labels sent to VeganicSKN will not be used.</p> <p>Follow the Labelling rules on the website and the related checklist you will be provided by VeganicSKN customer care representative.</p> <p>Return the paperwork</p>
2	<p>For small orders, wait for the label creation and approval process to be completed.</p> <p>For small orders, wait for the approval process to be completed.</p>
3	<p>VeganicSKN customer care will provide you with the document CC002. Please verify, sign and return the relevant paperwork.</p>
4	<p>VeganicSKN customer care will initiate the ordering process and finalize it only after receiving your approval of the order details.</p>
5	<p>Once we receive your labels, VeganicSKN customer care will send samples for your final review and approval of the label.</p>
6	<p>Your sunscreen production will be scheduled in our manufacturing program only after receiving your written approval.</p>

Notes: Customer-supplied labels cannot be accepted due to machinability limitations.
Only labels provided by a VeganicSKN qualified supplier will be used.

Thank you.
